Acceptable Use Policy

Geek Internet Development, LLP will provide services on its host computing systems to individuals and corporate account holders (customers/subscribers) in exchange for payment of fees and compliance with this Acceptable Use Policy. This policy applies to all customers/subscribers of Geek Internet Development, LLP It is designed to help protect our service, our customers, and the Internet community from irresponsible or illegal activities.

Content
All services may be used for lawful purposes only, the transmission, storage, or presentation of any information, data or material in violation of any Federal, State, County law and/or Municipal Ordinance is prohibited. This includes, but is not limited to: material we judge to be threatening, obscene, demeaning to others, or material protected by trade secret and other statute. The customer/subscriber agrees to indemnify and hold Geek Internet Development, LLP harmless from any claims resulting from the use of the service which damages the customer/subscriber or any other party. When requested, Geek Internet Development, LLP will cooperate fully with law enforcement agencies in any investigation of alleged illegal activity on the Internet. The customer/subscriber agrees that Geek Internet Development, LLP can release any and all information relating to the customer/subscriber account/website/etc., if requested by any law enforcement agencies.

Examples of non-acceptable use of our services:

> **Spamming** - We consider spam to be any mass unsolicited message in the mediums of Newsgroups and E-mail. If you are found to have spammed, then we will immediately, without warning, disable your domain. We reserve the right to refuse or cancel service to known spammers. Lastly, we reserve the right to determine what violates this policy.
> **Fraud** - Making fraudulent offers of items, products, or services originating from the Customers/subscribers website. As such, any violation will result in immediate deactivation of services without refund.
> **Bulk E-Mail** - Any site selling or promoting Bulk e-mail services is not allowed. As such, any violation will result in immediate deactivation of services without refund.

Indemnification
The customer/subscriber agrees that it shall defend, indemnify, save and hold Geek Internet Development, LLP harmless from any and all demands, liabilities, losses, costs and claims, including reasonable attorney's fees asserted against Geek Internet Development, LLP its agents, its customers/subscribers, officers and employees, that may arise or result from any service provided or performed or agreed to be performed or any product sold by customer/subscriber it's agents, employees or assigns. The customer/subscriber agrees to defend, indemnify and hold harmless Geek Internet Development, LLP against liabilities arising out of; (1) any injury to person or property caused by any products sold or otherwise distributed in connection with Geek Internet Development, LLP server; (2) proprietary rights of a third party and (3) copyright infringement.

Attorney Fees
Should any action be brought to enforce any provision of this Acceptable Use Policy, Geek Internet Development, LLP shall be entitled to attorneys' fees and costs, including all attorneys' fees and costs incurred on any appeal, or in the collection of any amounts determined to be due hereunder or in any court action with respect thereto.

Venue
If court proceedings are instituted, the customer/subscriber consents to the jurisdiction and venue of the Eighth Judicial District Court of the State of Nevada, County of Clark.

Refusal of Service
Geek Internet Development, LLP reserve the right to refuse or cancel service at our sole discretion without a refund.

Disclaimer
Geek Internet Development, LLP will not be responsible for any damages the customers/subscribers business may suffer. Geek Internet Development, LLP makes no warranties of any kind, expressed or implied for services we provide. Geek Internet Development, LLP disclaims any warranty or merchantability or fitness for a particular purpose. This includes loss of data resulting from delays, and any and all service interruptions caused by Geek Internet Development, LLP and its employees. Geek Internet Development, LLP reserves the right to change or update policies without notice.
